Luggage

Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings. If You do not take good care of Your belongings We may not be able to pay Your claim. Not all belongings are covered by the policy.

What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time. **"Valuables"** means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including but not limited to devices such as drones, computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.
- A maximum limit of \$2,000 applies to all other items (i.e. not Valuables) left in a locked motor vehicle as long as they are in a Concealed Storage Compartment. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.

Luggage item limits automatically included in your cover

We provide cover for any one item, set or pair of items (including attached and unattached accessories), up to the following limits, after taking into account reasonable depreciation. See pages 43-44 for depreciation rates and an example of how a claim is worked out.

Cameras and video cameras	Laptop and tablet computers	Mobile phones and smart phones	Other items
\$3,500	\$6,000	\$1,000	\$1,000

You may be able to increase the item limit by paying an additional premium. Please ask for a quote.

Receipts or valuations (less than 12 months old) must be available if requested by Us.

Increase Rental Car insurance excess cover

The following activities are automatically included:

- Abseiling
- Parascending
- Ballooning
- Skydiving
- Bungy Jumping

- Paragliding
- Working Holidays

Note: Subject to the ordinary terms of cover and in particular General exclusions 24-27 on page 55 and Section 17 Personal liability exclusions 3 and 4 on page 52.

Motorcycle/moped riding

Claims involving participation by You (during the Journey) in motorcycling or moped riding for any purpose are specifically excluded from this policy.

If You wish to be covered for this activity during Your Journey and be able to hire a motorcycle (including a moped) as the driver or a pillion passenger, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- while in control of a motorcycle or moped you hold a valid Australian motorcycle rider's licence or Australian motor vehicle driver's licence, and you hold a licence valid in the relevant country;
- whilst You are a pillion passenger the driver holds a licence valid in the relevant country;
- the engine capacity is 200cc or less;
- You are wearing a helmet;
- You are not participating in a Professional capacity;
- You are not racing; and
- You are not participating in motocross.

Note: No cover will apply under Section 17 Personal Liability. This means You are responsible to pay costs associated with damage to the motorcycle, moped or property or injury to another person.

Snow skiing, snowboarding and snowmobiling

Claims involving participation by You (during the Journey) in snow skiing, snowboarding or snowmobiling are specifically excluded from this policy.

If You wish to be covered for these activities during Your Journey, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- You are skiing or snowboarding On-Piste;
- You are not racing; and
- You are not participating in a Professional capacity.

Extending Your Journey

If You wish to be insured for longer than the original period You need to purchase a new policy with Us prior to the expiry date shown on Your original Certificate of Insurance. It is not an extension of the previous policy.

It is important to note that should a medical condition present itself prior to the time of issue of the new policy, it may be considered an Existing Medical Condition under the new policy and therefore may not be covered by the new policy. Purchasing a longer duration policy up front may avoid this risk.

Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.

Money back guarantee

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling off period which is within 15 working days of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling off period.

Travel and health

Do You have an Existing Medical Condition?

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If additional cover is applied for and approved, an additional premium may apply.

What is an Existing Medical Condition?

“**Existing Medical Condition**” means a disease, illness, medical or dental condition or physical defect that at the Relevant Time meets any one of the following:

Existing Medical Conditions

We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring **all** Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose

steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

Other Existing Medical Conditions which cannot be covered

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims directly or indirectly arising from, or exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;
- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries.

If You have any questions about Existing Medical Conditions, please call Cover-More on 1300 72 88 22.

Completing a health assessment

For all other medical conditions You will need to complete an online medical assessment by either contacting Your travel agent or broker or by calling Cover-More on 1300 72 88 22 for additional assistance.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.

- Check all Existing Medical Conditions have been disclosed to Us.

- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay the required extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You. Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Health of other people impacting Your travel (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You.

We will only consider claims arising from the death or sudden disabling injury, sickness or disease of a Relative or Your business partner who is not travelling, if:

- that person lives in Australia;
- it was medically necessary for You to amend or cancel Your Journey to assist that person; and
- at the Relevant Time that person:
 - in the last two years, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was directly or indirectly caused by, arising from, or exacerbated by, the condition that gave rise to the claim;
 - was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or a residential care facility as defined under the Aged Care Act 1997 (Cth) (or any subsequent amendment, or amendment legislation, to it);
 - was residing independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services as defined under the Aged Care Act 1997 (Cth) (or any subsequent amendment, or amendment legislation, to it);
 - was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
 - did not have a drug or alcohol addiction; and
 - did not have a Terminal Illness.

A claim caused by the health of someone who is not a Relative or Your business partner or anyone living outside Australia is not covered by the policy.

Please refer to SECTION 2: Additional expenses and SECTION 3: Amendment or cancellation costs for details on this cover.

Pregnancy

Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“**Relevant Time**” means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

You can complete a medical assessment by either contacting Your travel agent or broker or by calling Cover-More on 1300 72 88 22.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

24 hour emergency assistance

All policyholders have access to Our emergency assistance team when travelling.

24 hours a day, 365 days a year, Our team of doctors, nurses, case managers and travel agents provide the following services:

- **Help to find a medical facility and monitor Your medical care**

- **Paying bills**

Becoming ill overseas can be very expensive so those significant medical expenses can be paid by Us directly to the hospital if Your claim is approved.

- **Keeping You travelling or getting You Home**

When will I hear back about the claim?

We try to process claims as quickly as possible.

We may approve and settle, investigate or decline the claim or request further information. In any case, You will hear back within 10 working days from the time We receive Your claim or each time we receive further information on it.

When You book a trip, You expect to be going on it.

Travel insurance is designed to protect You from the unforeseen and the unexpected.

Sometimes things happen before You even depart—unavoidable things that mean You need to amend or even cancel Your trip.

And because We believe that travel insurance policies should be clear and readily understood, here are some general points on how to make sure You can provide Us with the documents We require if You need to cancel Your trip and make a claim for cancellation or early return costs.

For all health related claims, We will always need the patient's usual GP to complete Our claim form medical certificate and certify unfitness to travel or the need to look after someone.

For a new mental health condition, in addition to the above, referral to and a diagnosis made by a Registered Psychologist or Psychiatrist is required. We're not saying the GP can't be the first port-of-call but We need specialist certification of unfitness to travel or the need to look after someone. It's the same type of thing as having a heart condition where the GP would refer to a heart specialist.

Cover-More Insurance Services Pty Ltd ABN 95 003 114 145, AFSL 241713 (Cover-More) administers the policy (including customer service, medical assessments and claims management) and will usually arrange for the issue of the insurance, either directly or through the appointment of distributors or authorised representatives. Alternatively, another financial services licensee or its authorised representatives may arrange for the issue of this insurance.

The person who provides You with this PDS is the providing entity. The capacity in which they act is displayed in the Financial Services Guide on pages 56-58 of this booklet.

When and how benefits are provided

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period Of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person or provider to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting reasonable depreciation where applicable); or
- pay You.

Additional policy information

The insurance We offer You is set out in the PDS and Policy wording. It is important that You are aware of the:

- limits on the cover provided and the amounts We will pay You (including any excess that applies);
- Words with special meaning found in the Policy wording on pages 29-32;
- maximum benefit limits shown in the Benefits table on pages 4-5; and
- Policy conditions and General exclusions found in the Policy wording on pages 33-55.

Change of terms and conditions

From time to time and where permitted by law, We may change parts of the Combined FSG/PDS. We will issue a new Combined FSG/PDS or a Supplementary FSG or PDS or other compliant document to update the relevant information except in limited cases. Any updates which are not materially adverse to You from the view of a reasonable person deciding whether to buy this insurance, may be found on www.covermore.com.au. You can obtain a paper copy of any updated information without charge by calling 1300 72 88 22.

Your duty of disclosure

Before You enter into this contract of insurance, You have a duty of disclosure under the Insurance Contracts Act 1984 (Cth). The duty applies until (as applicable) We first enter into the policy with You, or We agree to a variation, extension or reinstatement with You.

Answering Our questions

In all cases, if We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

Variations, extensions and reinstatements

For variations, extensions and reinstatements You have a broader duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

If You do not tell Us something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

General Insurance Code of Practice

We are signatories to the General Insurance Code of Practice (Code), which was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry. To obtain more information on the Code and the rights You may have under it please contact us or visit codeofpractice.com.au.

The amount You pay for this insurance

You can obtain a quote from the providing entity. The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as GST and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact Cover-More.

How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Excess** – the higher the excess the lower the cost.
- **Cancellation cover** – on some policies You can choose Your own level of cancellation cover. The more cancellation cover You require, the higher the cost may be.
- **Adding cover for Existing Medical Conditions and pregnancy** (where available) – additional premium may apply if a medical assessment is completed and cover is accepted by Us.
- **Extra cover options** (where available) – additional premium may apply.

Cancelling Your policy

If You cancel Your policy within a cooling-off period of 15 working days after You are issued Your Certificate of Insurance, You will be given a full refund of the premium You paid, provided You have not started Your Journey or You do not want to make a claim or exercise any other right under Your cover.

After this period You can still cancel Your policy. We will refund to You a proportion of the premium for the unexpired period of cover (less any non-refundable government charges and taxes that We have paid and are not recoverable). You are not entitled to a refund if You have started Your Journey, You want to make a claim, or exercise any other right under Your cover.

To cancel Your cover please contact Cover-More by calling 1300 72 88 22 (within Australia) or email enquiries@covermore.com.au.

How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- the maximum benefit limits and sub-limits;
- reasonable depreciation; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement.

- Your new video camera with an original purchase price of \$4,000 is stolen from a hotel room.
- You have chosen the nil excess option.
- You have not paid an additional amount to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – \$4,000 (no depreciation applies because the video camera was new).
- Consider the maximum benefit limit for Luggage and Travel Documents – \$15,000.
- Consider the maximum item limit payable for cameras and video equipment – \$3,500. The item limit applies in this case.
- Consider the excess. As You have chosen the nil excess option, no excess is deducted. This results in a claim settlement of \$3,500 or We may choose to replace the item through a supplier of Our choice.

Policy conditions

1. Excess

The excess is the first amount of a claim which We will not pay for. It is Your contribution to Your claim if it is approved by Us. The excess applies per event i.e. If You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1, 2, 3, 4, 5, 9 and 10 of the policy only. The excess is the amount shown on Your Certificate of Insurance.

In some circumstances, We may impose an extra or increased excess for claims arising from Existing Medical Conditions. We will inform You in writing if this applies: These will be set out in Your Certificate of Insurance or in a letter from Our medical assessment team.

Claim example: You have a \$250 excess on Your policy. If You made a claim for \$2,500 under SECTION 1: Overseas medical and dental expenses, You already paid the expenses and We approve Your claim, We would deduct the \$250 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We will ask You to pay the \$250 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,250.

2. Limits of liability

The limits of Our liability for each Section of the policy are the amounts shown in the relevant table for the plan selected (see pages 4-5) except:

- a) where additional luggage cover has been effected;
- b) the maximum liability collectively for Sections 14, 15 and 16 shall not exceed \$25,000;
- c) where You have paid an additional amount to increase the level of Rental Car insurance excess cover; or
- d) where We have notified You in writing of different limits such as on Your Certificate of Insurance.

3. Claims

- a) The loss or theft of luggage, personal effects, travel documents or money must be reported within 24 hours to the police and (where applicable) the responsible Transport Provider and a written report must be obtained at that time.
- b) If You are admitted to hospital or You anticipate Your medical expenses and Additional expenses are likely to exceed \$500 You must phone the emergency assistance number as soon as physically possible.

- c) You must take all reasonable steps to prevent or minimise a claim.
- d) You must not make any offer, promise of payment or admit any liability without Our written consent.
- e) You must advise Us of any claim or occurrence which may give rise to a claim as soon as possible and within 60 days of the return date shown on Your Certificate of Insurance by sending a completed claim form.
- f) You must at Your own expense, supply any documents in support of Your claim which We may request, such as an original police report, a Property Irregularity Report (PIR), receipts, valuations, a repair quote, a death certificate and/or medical certificate.
- g) You must co-operate fully in the assessment or investigation of Your claim.
- h) Where You are a registered entity You may be entitled to an input tax credit for Your Amount Payable and/or for things covered by this policy. You must disclose these entitlements to Us if You make a claim under Your policy.
- i) If We agree to pay a claim under Your policy We will base any claim payment on the GST inclusive costs (up to the relevant limits of liability). However, We will reduce any claim payment by any input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this policy.
- j) We will be entitled, at Our expense, to have You medically examined or, in the event of death, a post-mortem examination carried out. We will give You or Your legal representative reasonable notice of the medical examination.

4. If You are able to claim from a statutory fund, compensation scheme or Transport Provider

If You are able to claim from a statutory fund, compensation scheme (for example a private health fund or workers compensation scheme) or Transport Provider for monies otherwise payable under this policy You must do so and the policy will only cover the remaining amount.

5. You must help Us to make any recoveries

We have the right to recover from any other party in Your name, money payable under the policy or to choose to defend any action brought against You. You must provide reasonable assistance to Us.

6. Claims payable in Australian dollars

All amounts payable and claims are payable in Australian dollars at the rate of exchange applicable at the time the expenses were incurred.

7. Policy interpretation

The policy shall be interpreted in accordance with the law of the Australian State or Territory in which it is issued.

8. Emergency assistance

- a) Where Your claim is excluded or falls outside the policy coverage, the giving of emergency assistance will not in itself be an admission of liability.
- b) The medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond Our control cannot be accepted by Our emergency assistance, Cover-More or Us.

9. Free extension of insurance

Where Your Journey is necessarily extended due to an unforeseeable circumstance outside Your control, Your Period Of Insurance will be extended until You are physically able to travel Home by the quickest and most direct route. The Period Of Insurance will not be extended for any other reason.

10. Special conditions, limitations, excesses and amounts payable

If You:

- a) want cover for an Existing Medical Condition or pregnancy which does not satisfy the provisions set out on pages 10-18, You will need to complete a health assessment. We will notify You of the outcome.
If We are able to approve cover for the condition(s) or pregnancy You must pay an extra premium to Us. Cover may be subject to special conditions, limitations, limits, and excesses.

We will notify You in writing of these before We issue the policy.

11. Automatic reinstatement of sums insured

On an Annual Multi-Trip Policy the limits of liability under each Section of the policy are automatically reinstated on completion of each Journey and in respect of Section 4, also once on each Journey.

12. Policy conditions applying to Sections 1 and 2 only

- a) We have the option of returning You to Australia if the cost of medical and/or Additional expenses overseas are likely to exceed the cost of returning You to Australia subject always to medical advice. We also have the option of evacuating You to another country.

- b) In all cases the cost of evacuation or to bring You back to Australia will only be met if Your claim is approved by Us and it was arranged by and deemed necessary by Our emergency assistance network.
- c) If We request that You be moved to another hospital, return to Australia or be evacuated to another country and You refuse, We will only consider:
 - (i) Your costs and expenses per Sections 1 and 2 (as applicable) incurred up to the time of Our request; and
 - (ii) the lesser of:
 - an amount equivalent to the costs and expenses per Sections 1 and 2 (as applicable) that You would have incurred after Our request had You moved to another hospital, returned to Australia or been evacuated to another country as requested; or
 - Your costs and expenses actually incurred after Our request.
- d) If You are hospitalised We will pay for a share room. If a share room is not available We will, at Our discretion and that of Our medical advisors, pay to upgrade You to a single room.

13. Policy condition applying to Section 13 only

You must take all reasonable precautions to protect the confidentiality of this insurance. This policy is a reimbursement policy only. We will not act as negotiator or intermediary or furnish advice in dealing with the kidnappers. In the event of any kidnapping occurring any local law enforcement authorities must be informed of the ransom demand within 24 hours or as soon as possible. - b) You must obtain and follow advice and treatment given by a qualified medical practitioner as soon as possible after suffering a disabling injury, during the Period Of Insurance.

15. Sanctions regulation

Notwithstanding any other terms or conditions under this policy, We shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to You or any other party to the extent that such cover, payment, service, benefit and/or activity of Yours would violate any applicable trade or economic sanctions, law or regulation.

It is Our choice which of these We do.

This policy is an indemnity policy which means settlement of Your claim is based on the value of an item at the time of the loss and not on a 'new for old' or replacement cost basis. Reasonable depreciation takes into account the amount paid originally for the item, its age, wear and tear and advances in technology.

Items	Depreciation	
	Deduction for each month of age of the item at the time of loss	Maximum deduction
All other items (not including jewellery)	1.50%	60%
Phones, electrical devices, communication devices, all computers, photographic equipment, tablets, electronics equipment	2.50%	60%
